Although few in numbers, the 1986-87 Cross Country team performed well. The team gained experience thoughout the season. And although young, the team showed much enthusiasm with the leading runners returning next season. All runners accomplished personal goals this season with Brian Pollard being named "Outstanding Runner."

A NEW SEASON — A NEW COACH — ADJUSTMENTS? Coach Laura Ford, whose experience was in a large school, moved in and had the qualities of any coach to be a winner. Her dedication, determination, and drive to instill self-confidence in the young cats was evident from the beginning to the end. When the cats played six teams, who at the time were ranked in the state, and losses started to pile up; Coach would tell the girls to keep their heads up and not to dwell on the past. This encouragement got the girls to finish up strong by winning four of their last six games, getting knocked out by Antwerp in the Sectional Finals.

Receiving recognition for their special talents were Freshman Kari Reynolds, who received FIRST TEAM NWC, Freshman Cindy Olberding and Senior Peggy Coil received HONORABLE MENTION. Misti Shaffer was voted MOST IMPROVED PLAYER by the team and the following received awards from their coach: Heidi Bice — ACADEMIC AWARD — for keeping a 4.0 grade point average throughout the volleyball season, Tereasa Bockey — 3 D AWARD (desire, dedication, & determination) and last but not least Ericka Osting — KNARLED KNEE PAD AWARD — for her outstanding hustle throughout the season.

Dreams are always made,
Giving each person new hope.
But also bringing hardships,
With which you must cope.

It's easy to have a dream,
As easy as tying a shoe.
But it takes a lot of hard work,
To make that dream come true.

Work hard my friend,
And you are sure to find.
That through your dreams,
You'll build the strongest bind.

I have my dreams, just like you,
I'll show the world some day.
But wait until my dreams become reality,
I must live my life in my own way.

It's a dream come true,
To reach this special day.
Knowing we got this far,
Will help us on our way.

Tomorrow we meet the real world,
In search for all our dreams.
No one can tell us now,
How life will really be.

We've made it to the top,
We can now look down with pride.
We'll look at all our smiling days,
And all the times we've cried.

No matter where we go,
And no matter what we do.
We'll always have sweet memories,
Of Spencerville High School.

We'll come back in five years,
To reunite with all our class.
We'll tell our tales of life,
And how the years went fast.

THE SENIOR CLASS WOULD LIKE TO THANK SHELLEY GOETZ FOR WRITING THESE POEMS FOR OUR CLASS.

TERRI TOWNSEND

Yesterday we said "HELLO",
Today we say "GOOD-BYE".
Tomorrow we shall reach our dreams,
That are higher than the sky.

The friendships we have came across,
And the things we've learned to do.
We never dreamed we could achieve, .
And especially in high school.

In the past it was just a dream,
To ever get this far.
But now our dreams have come to life,
And we're headed for the stars.

It doesn't seem so special now,
When we realize what we must do.
We've got to say good-bye to friends,
That we've made throughout this school.

Memories shall remain forever,
If our lives go separate ways.
And when there comes a lonely time,
We'll remember those special days.

The desire of knowledge, like the thirst of riches, increases ever with the acquisition of it. — Laurence Sterne

Spencerville High School sent their first scholastic bowl team to the Lake Campus of Wright State University on March 23, 1987. The teams were asked questions in algebra, geometry, geography, economics, current events, music, art, grammar, spelling, history, physics, chemistry, general science and biology. They successfully defeated Russia in the first round of questions, but were defeated by Kalida in the second round. The organizers of the scholastic team were Jane Hankins and Lori Schwieterman.

"FAME"
ANOTHER GOOD SEASON

Managers — Cory Fast, Shane Reynolds, Andy Bayliff — Paul Bowers, Jeff Hays, Steve Meyer, Randy Reynolds, Chuck Mulholland, Chad Fast, Jason Oakman, Jr. Grigsby, Sean Chapman, P.J. Meyer, Jeff Clement.

The 86-87 boys basketball team was faced with overwhelming pressures as every opponent was out to stop the Bearcat machine. The team was 20-5 for the season, 18-2 in the league, and 4-1 in tournament play. The Bearcats opened the season with 3 wins, then lost one, and then knocked off 9 victories in a row.

The highlight of the regular season was the team's upset of N.W.C. rival U.S.V. In tournament action the Bearcats defeated Waynesfield and Ada to become sectional champs; Marion Local and USV to become district champs; then lost to Archbold in regionals.

The 1986-87 Lady Bearcats ended their season with a 14-8 record overall which placed them third in the NWC. It was the second straight year the girls basketball team has had a good record; last year's record was 15-6.

The Lady Cats proved that records are made to be broken because three varsity players ended the season breaking many records. Freshman, Cindy Olberding broke the record for the most block shots which was 38; Cindy holds the record with 60. Cindy also broke the record for the best field goal percentage which was 47%, Cindy's percentage was 51% and sophomore Mary Bayliff also broke the same record by having percentage of 47. Senior Michelle Sandkuhl came close to breaking the same record, her percentage was 45%. Junior Tereasa Bockey broke the assist record which was 86; Tereasa now holds the record with 103. Senior Sally Ambroza holds the overall record with 233. Tereasa has an excellent chance of breaking that next year.

The Lady Cats beat the Antwerp Archers in tournament action (40-34), but were defeated by the Crestview Knights in sectional finals to end their season.

The 1987 softball season was very successful. The Bearcat squad won fourteen games in a row, but was then halted by the Wapak Redskins. The game went down to the seventh inning. Since the Cats played at Wapak, they didn't have a chance to fight back and continue their winning streak. Even though the Cats streak was halted, they went on to win three more games in a row. In two out of three of these games, the Cats were able to stop the game in the fifth inning because of a lead of fifteen runs. (Six other games were also halted because of the fifteen run rule.)

At the spring sports banquet, Coach Kroeger handed out six awards. The first award ended up going to two people — sophomores Mary Bayliff and Rita Grigsby — they received the Rookies of the Year *— the second award went to Peggy Coil; whom received the* Offensive Award *— the third award went to Stephanie Sensabaugh; she received the* Defensive award *— the fourth award was the* Bearcat award; *Sue Koverman received the award — the fifth award went to a person who Coach Kroeger felt was the* Most Valuable Player; *Peggy Coil received the award — the sixth and final award went to two people; it was the* Scholar award *— Tereasa Bockey and Dawn Stout kept their grade point average above 3.6 throughout the season to earn this award. There was one award left. Peggy Coil was chosen for the* All-State *team.*

The Bearcat Squad set a record of 20 wins and 3 losses for future Cat squads to beat.

"YOU'VE GOT TO FIGHT, FOR YOUR RIGHT"

The 1987 boys track team won five dual meets, lost four, and tied one. (Overall, SHS ended 59-24-1) Coach McMichael had sixteen young men who lettered varsity and two who were jayvee athletes. Throughout the season, the team strived to set new records to show their hard efforts. Eight records were broken Senior Matt Wood set the new high jump record at 6'2" and Toby Miller set the high jump record for sophomores at 6'0". Daren Leis lengthened the freshman discus record to 121'11", while sophomore Jason Oakman lengthened the overall record to 149'5". Junior Tim Wilson set a new 100 dash record with a time of 11.38 seconds and junior Paul Bowers established the 300 meter intermediate hurdles record with a time of 44.3 seconds. The quartet of Hook, Bowers, Chapman, and Wilson set the new 400 meter relay time at 45.8 seconds.

Coach McMichael handed out three special awards. The first was the Bearcat award and senior Lanny Ringwald received it. The second award was the High Point award and that went to junior Tim Wilson. Coach McMichael's third and final award went to senior Matt Wood who received the Most Valuable Athlete on his team.

Receiving the honor to compete at the Bowling Green finals were: Matt Wood, Paul Bowers, Tim Wilson, Matt Chapman, Toby Miller, and Jason Oakman. At the finals, three of the boys placed but it was not high enough to move on to the State Meet. Jason Oakman placed fifth in the discus with a throw of 141'1" — Paul Bowers placed sixth in the 100 meter high hurdles, with his personal best time of 15.35 seconds — Matt Wood took sixth place in the pole vault; he cleared 12 feet.

Tim Wilson set a new school record in the 100 yard dash semi-finals, with a time of 11.2 seconds and the team of Wood, Bowers, Chapman, and Wilson ran the 400 meter relay in 46 seconds, but the time was not able to qualify.

The girls track team may have been short in numbers, but their talents and efforts made up for it. By receiving 1st, 2nd, and maybe even 3rd in different events, the girls indeed covered up for their small numbers.

All of the girls worked very hard throughout the season. Three out of the eight were chosen on the North West Conference First Team. They were as follows: freshman Cindy Olberding, sophomore Carla Johnson, and three-year varsity honor — junior Ericka Osting.

Coach Schwieterman also handed out four more awards. The first being the Bearcat award and that was given to Carla Johnson. The second award was the Most Valuable Field Eventer and Cindy Olberding received this award. The third award was for putting forth 110 percent effort throughout the season. Coach Schwieterman made the comment that she always had to pull Kari off of the track after every practice, so she felt that Kari Reynolds earned this award. The fourth and final award went to the person that Coach Schwieterman felt was the Most Valuable Athlete on her team — Ericka Osting. To add to the awards these four young ladies received, they also qualified for the Bowling Green finals. At Regionals, three of the young ladies qualified for the State Track Meet in Columbus. Kari Reynolds set a new SHS record in the 100 meter hurdles with a time of 15.36 seconds which earned her second place, while Ericka Osting had a time of 15.73 second which earned her fourth place. Cindy Olberding threw the discus 111'11" which set a new SHS record, but only got her fifth place so she did not advance in that event; but she did throw the shot put 37'10" which did advance her in that event.

At the State Meet, Cindy Olberding took sixth place in the shot put with a throw of 37'3" — Kari Reynolds took second in her heat; her time for the 100 meter hurdles was 15.75. During the finals, she finished fifth with a time of 15.63 — Ericka Osting ran the 100 meter hurdles in 16.07 seconds which earned her fifth place, but only the top four competitors advanced.

The 1988 track season should benefit just as well as the 1987 season did. The team only lost two seniors and hopes to gain several members from upcoming freshmen.
